QUESTION: When an agent says he can "bind" coverage until he can issue an insurance policy for me, what does he mean?

ANSWER: If for some reason, usually lack of essential information, an agent can't issue a policy immediately, he can issue a "binder" which provides full protection until the policy can be written.

* If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

Willie Nauls Will Appear At Narbonne

Willie Nauls, famed All-American basketball player from UCLA, will be guest athlete at the big Father and Son Spring Picnic on Thursday, May 31, at Narbonne high school. Willie Nauls was the outstanding player in the Pacific Coast Conference. He is a local boy from San Pedro high school where he was an all city basketball player. Coach Wooden of UCLA says that Nauls was a more consistent performer for him than any athlete ever has been. Nauls hold all UCLA scoring records, the P.C.C. one game record and the P.C.C. three year record. Interest in the junior high track meet has grown and a good turnout is assured, said M. J. Marienthal.

Nearly all entrants in the field events have cleared the qualifying marks. In these events, competition is keen and record marks will be forthcoming.

Track meet begins at 4 p.m. on May 31.

Tickets may be obtained from the Narbonne high school coach now.
