### Explosion Rocks Three Local Firms

There was a lot of sound and fury but there were no injuries when magnesium dust exploded at 1839 Torrance blvd., Friday morning.

The explosion did its greatest damage in the Wilson Engineering and Machine co., where it occurred. Al Goodpasture, a machine operator, escaped injury when he stepped out momentarily to talk to James Wilson, the owner.

The explosion blew out a partition which separated the Wilson firm from the Percia Manufacturing co.

Leonard Rhodes, co-owner, escaped possible serious injuries from falling head board frames which had been stacked against the wall when he stepped up to the counter at the front of the room to talk to a visiting salesman.

The Coast Screw products co. also was affected by the blast. According to Chief J. J. Benner, fire damage was slight.

### Yanks Beat Stars, 13-0

The Little League Yankees played the Stars to a shut out score of 13-0 Tuesday May 9, winning pitcher being Bruce Smith.

In addition to fanning out 14 Star batters, he teamed up with McGuire to elad the Yankee hitting.

Outstanding plays of this game were made by the Stars when John Cambon, Star second baseman, engineered two double plays.

The Cardinals met the Stars, Saturday, May 12, with a final score of 7-14 in favor of the Stars.

The winning Star pitcher was Robeson. The Stars also produced the outstanding hitter of the game—Avilar—who tapped three out of four.

The Cardinal hitting was done by Ronnie Campbell and Danny Sorenson, each greeting two hits.

In the game between the Yankees and the Braves Sunday, May 13, the Yanks won 15-4.

Steve McGuire led the Yankee hitting with his second home run of the year.

This puts him and Ray Wilson of the Cardinals in a tie, with two homers each for the season to date.

Little League games are scheduled for every afternoon except Friday. Games are free to the public. Schedule for the coming week is: Braves vs Yankees, Thursday, May 17; Cards

if you hate to hang up and take down laundry YOU NEED A GAS CLOTHES DRYER

**DRYING CLOTHES** becomes one of the easiest things you do when you have an automatic Gas clothes dryer. You simply toss in rinsed laundry and set a dial. Cottons are ready to take out in less time than it took to wash them. Chenille spreads come out as fluffy-soft as when new—and lint-free besides. See a demonstration at your Gas clothes dryer dealer's!

- FASTER THAN SUNSHINE!** Gas dries clothes faster than California sunshine... faster than any other fuel. Lets you wash ANY time... day or night, rain or shine. No sun-fading, no wind-frayed hems, no nasty rust or dirt spots!
- DRIES CLOTHES TO SUIT YOU!** Set dial on "DAMP DRY" and pieces dry only to perfect ironing condition. No sprinkling, no extra work. Set dial on "DRY" and pieces come out soft, wrinkle-free—ready to fold.
- SEE THE DIFFERENCE!** The Gas-dried towels at left are thick, soft, thirsty. The line-dried towels at right are flat, rough, less absorbent. Gas-dried laundry is sweet-smelling, too—as well as free of lint and wrinkles. A joy to wear and use.
- 35¢ A MONTH TO USE!** The monthly operating cost of an automatic Gas clothes dryer is only about 35¢ for a typical family of four. The installed price of a Gas dryer is also less than for other automatic dryers. Visit your dealer's this week.

Automatic Gas clothes dryer illustrated is the **BENDIX DUOMATIC**. Other famous makes are ABC, Blackstone, Caloric, Easy, Hamilton, Kenmore, Maytag, Norge, Roper, Speed Queen, Wedgewood, Whirlpool.
