As much as I dislike to bring of school. Here's wishing all of you up such an unpleasant subject, exam time is here again. Senior final examinations will be held June 4, 5, 6, 7 and underclassmen will get theirs June 11, 12, 13. Seniors get a one week's jump on the rest of the students because they will leave school June 8 due to the many activities during the last week of school.

Secretive Juniors
 The prom is being kept a deep dark secret by the busy juniors. All that they will tell anyone is that it will be held June 8 and juniors and seniors and their dates will be the only ones admitted, as is traditional. The Moulon Rouge seems to be

the most popular for late dinners.

Concert This Saturday
 El Camino's honor band will present their concert this Saturday night, June 2 at the college. The honor band is composed of the ten best musicians from each school in the district.

Banquets
 The Scholarship Society held their banquet last Saturday evening and future banquets will be held by such organizations as the band, GAA, and the lettermen. Rand's Round-up seems to be the favorite spot for these banquets.

Bits 'O News
 Seniors received their annuals June 6th, the rest of the student body will get theirs a few days later.

The seniors received their pictures, commencement announcements, and cards recent-

ing off, and blind-folded her, according to Cook.

Then they took turns raping her.

At this time another car with more boys drove up. They, too, took turns raping her.

The youths were between 17 and 18 years old. One was probably 20-22. Cook stated.

"This is one of the worst crimes I've heard of in some time," Cook said. "The girl was hysterical. She begged them to leave her alone but no one tried to help her."

The youngster with whom the girl had the date was not involved in the affair.

The girl, who is now under a physician's care said the ordeal was like a horrible nightmare, and that she was scared to death.

One of the rat-pack took the girl home when they were through with her.

Investigating the case further are Cook and Juvenile Officers Leo Gonzales and Gus Rethwisch.

Molesting ...

pit, Lawrence asked the boy if he would like to steer.

He then put the boy on his lap and instructed him to steer. While the boy was driving Lawrence admittedly molested him, according to Lennox sheriff's.

During the process, the victim's clothes became entangled with the steering wheel and the car lurched out of control down the 100-foot cliff.

The boy then scrambled out of the car and ran to a nearby road where he was given a ride home by a passing motorist.

The suspect contacted Louis B. Harlow, a watchman, and offered him one dollar if he would take him home. Officers placed Lawrence under arrest shortly after.

He is now in Los Angeles county jail awaiting arraignment.
