

USDA Choice steer beef, exclusively. In addition to the self-service feature, Jim Dandy features a special-cuts department, which will cut meat to any request.

The new, modern, three-decked delicatessen display cases have 156 lineal feet of refrigerated area alone. A total of 133 lineal feet of display space is designated to dairy products which are housed within the new up-right refrigerator unit, equipped with king-size shower doors for clearer vision. The new market is also equipped with 156 lineal feet of frozen food cabinets for the display of frozen food products. More than 5,000 items will be offered for sale in this modern super-market. Naturally, all items will be priced at the lowest possible prices.

**Special Guarantee**

An unusual feature which has made many friends for the Jim Dandy Markets and has aided in building up customer confidence is the "double your money back" guarantee that goes with every carton of eggs sold by the firm. It goes without saying that, in order to be good, eggs must be fresh and, unless they are good, no market can guarantee them. Jim Dandy manages it this way—carefully selected eggs are purchased, boxed and delivered to the stores daily. Before purchasing again before boxing, these eggs are given the most critical scrutiny and only those eggs which can match a AA standard go into the Jim Dandy cartons. That is why the Jim Dandy organization can offer fresh eggs to the public with an assurance that if there is any complaint, a refund equal to double the purchase price will be made. Naturally, this policy will be an integral part of the operations of the new Jim Dandy Market at 24911 South Western avenue, in Lomita.

Jim Dandy will feature a self-service Sugar 'N Spice bakery. This bakery is owned and operated by Jim Dandy markets and has daily delivery to assure all customers of "freshness of product," and they offer a complete variety of the finest and freshest of baked goods. For four consecutive years Sugar 'N Spice bakery has won the coveted Gold Cup Award, awarded by the Baker's Forum for "top quality" bakery products. Sugar 'N Spice won this award competing against the best baking establishments in Southern California.

The Jim Dandy produce department which features "morning-fresh produce" will

have its high quality produce displayed on 205 feet of counter space.

**One-Stop Market**

Ten per cent of the store's selling area is devoted to the display of non-food items. Jim Dandy has delegated this larger-than-usual non-food department in order to offer its customers a more complete one-stop shopping market. This department will contain toiletries, sundry items, plastics, aluminum ware, kitchen utensils, housewares, toys, glassware, and some light hardware items. Most of the merchandise is conveniently and prominently displayed on the new peg-board shelving which makes the small houseware items more accessible to shoppers.

The new Jim Dandy liquor department is complete in all respects with adequate provision for ice cold beer, beverages, and a complete assortment of fine table wines and liquors. The liquor department also is equipped with the new king-size shower door refrigeration equipment for faster service.

Jim Dandy operates nine other markets in the Los Angeles and surrounding areas. They are located in Torrance, Hermosa - Manhattan Beach area, Redondo Beach, Westchester, Inglewood, Bell and three
