DEAR EDITOR....

Policemen's Dance For Youth Benefit

The annual Youth Benefit Ball sponsored by the Torrance Police Officers Association can provide an expanded youth program if the citizens of the community do their part. There are hundreds of new homes which means more and more youngsters to be considered. In a great number of these families, both parents are employed and this condition places every organized youth group at a disadvantage unless facilities can be increased to meet the need. This takes money.

You Mr. and Mrs. Citizen are requested only once each year to support this program which already sponsors eleven Car Clubs, Little League Ball Clubs, financially assists the YMCA, makes available mountain weekend trips for both boys and girls. It also supports the Torrance Auxiliary Police (TAPS).

A most important factor this year is to set aside funds for a proposed youth center.

If you have received a telephone call regarding tickets to this annual ball and accepted a ticket, your early financial return will be greatly appreciated. If the police department has been unable to reach you by phone a letter and a ticket will be mailed requesting your support. Please give it your sincere consideration.

A Little Leaguer will tell you that being stuck on second base won't win a game. Home plate must be reached. We need your help to get there and home plate is the welfare of our Torrance youth.
