

Guard Drops Out Of League

The California National Guard, Torrance unit, will no longer be represented in the Torrance softball league, according to word received Monday from Elmer "Red" Moon, city athletic director. The team lost the support of the local non-commissioned officer's club, who had been their sponsor, when the team was credited with three successive forfeit losses for failing to field nine eligible players. Moon also said opponents of the National Guard team will

be credited with a forfeit win, for all National Guard games remaining on the schedule.

Arrangements are being made by the Recreation Department, for match games, with Redondo League teams, for those teams who had games remaining on the schedule with the Guard team.

'MOTHERLOVE'

This study of a boxer and her pups was taken by Louise van der Meid of 2527 Loftyview dr., Torrance, fourth week finalist in the semi-professional division in the Torrance Press photo contest. For story turn to Page 1.

DON'T WORRY about it! Call on me, O. Howie Hustles the Classified Ad, and I'll find you new tenants fast. Call FA. 8-2345 for quick help in advertising your place.

How to Avoid ON THE JOB Eyestrain!

What's the visual range of your job? From close-up to 30 inches? From reading range to beyond arm's length? If you wear glasses, it is imperative that visual corrections precisely match your working pattern. Otherwise, eyestrain and loss of efficiency are inevitable.

THERE'S A NEW APPROACH to this problem—a solution that will help you feel better and work better! Let us make a "working area analysis" of YOUR job. From this data lenses can be ground in our own laboratories to provide exactly the corrections you need. Come in; let us demonstrate. No obligation.

3 LITTLE SISTERS BORN HERE

Triplets tripped the wire at 10:06 a.m., 10:11 a.m. and 10:15 a.m.—within nine minutes of each other—last week Tuesday morning at Torrance Memorial hospital.

Pamela Jean, 5 lbs. 4 oz., Carol Ann, 4 lbs. 9 oz., and Susan Lynn, 4 lbs. 8 oz., in order of their appearance, were born to Mr. and Mrs. Richard Henke of 1906 Flournoy rd., Manhattan Beach.

The trio is the couple's first children. All three are 18 inches long. Carol Ann and Susan Lynn are now in incubators. Normal procedure requires that babies stay in incubators until they reach five pounds.

Henke is an engineer at North American.

Dr. George Andersen, Hermosa Beach physician, delivered the three girls.
