

FRANKLIN PRAISES MITCHELL

Charles A. Franklin, 17th District Congressional nominee, recently met with Secretary of Labor James Mitchell, to congratulate the nation's labor leader on the fine work which the Eisenhower administration has accomplished in behalf of all working men.

Franklin told the Labor secretary that never in the history of the area has the 17th District seen such prosperity. "The people of my District," Franklin said, "have greater take-home pay now than ever before, and during this four-year period the dollar has held its value. There has been no inflation."

Franklin promised the Secretary of Labor that if he (Franklin) is elected to Congress, he will work for a higher minimum standard wage law, and strive to "halt the dispersal of aircraft plants, in order that this 17th District may continue as one of the most prosperous in the nation."

Commenting on the recent proposal for a four-day workweek, Franklin said: "Through the latest developments of automation, this is not something that might be the blessing of our grandchildren, but the four-day workweek is a thing that we must work to see happen soon."

Boy Wins Bicycle Contest

Billy Hiatt of 21502 South Berendo was probably the happiest boy in Torrance this week. Billy was the winner of a brand new bicycle given away by Torrance Bootery in its annual bike contest.

Billy's mother, Mrs. William Hiatt, was as enthused as her son.

She heaped words of praise on the store, located at 1333 El Prado, pleased with the quality of the merchandise which she has bought there.

"Torrance is a wonderful place to shop in," she continued. "Why should anyone want to go elsewhere? In other cities you have trouble parking and you get parking tickets."

Other winners included: Richard Stubbs, 2811 Arlington, clock radio; Emma Tatakiski, 2054 Lomita boulevard, camera; Jerry Pauette, 605 Amapola wagon; Larry McElhiney, 1109 Felbar, fishing kit; Babbette Mazzard, 18524 Hawthorne, wrist watch; Lana Eystone, 18919 Haas, croquet set.

Civic Group To Tackle Zoning Issue

Zoning will be the big item on the agenda when the Pacific Hills Homeowners association holds its first public meeting of the season Monday, October 8, at the Walteria elementary school, at 7:30 p.m.

Controversy has arisen over the zoning affecting Pacific Hills, Weston Hills and new Weston Hills. Thought to be zoned R-1 (single residential) it appears that though an oversight the area was designated R-3 (multiple residential), it was reported.

A number of homeowners are objecting to having R-3 rather than R-1 zoning.
