

GETTING INTO THE ACT

Tommy Tucker, one of the performing seals at Marineland of the Pacific, balances the symbolic Community Chest Red Feather, and with almost human thought expresses his approval as his internationally-known trainer, Capt. Harold Winston, right, prepares to sign a pledge for the current Chest appeal. Submitting the pledge is John O. Schmidt, vice president of Pacific Smelting in Torrance, currently volunteering his services as a commerce and industry division chairman in the Chest's annual campaign to raise \$10,000,000 for its 168 participating welfare agencies.

Congregation Moves Into New Quarters

The Harbor City Revival Tabernacle is now worshipping in their new building at 1032 W. Pacific Coast Hwy.

Pastor Fred Martin states that many details are yet to be completed but the crowded conditions in the rented buildings on Normandie encouraged the congregation to move into the larger quarters as quickly as possible.

Services are being conducted as usual on Sunday with Sunday school beginning at 9:45 a.m., morning worship at 11 a.m. and the Evangelistic service at 7:30 p.m. The mid-week service is on Tuesday night at 7:30 and the young people's service on Thursday night.

The congregation has welcomed many new friends since making the change and it is hoped that the second unit can be built to accommodate a much larger Sunday school attendance.

The Church owns one and one-half acres with 300 foot frontage along the highway which will provide room for expansion and parking space.
