... *Saxon High Light* ...

By Bonnie Williams

The Saxon varsity bowed to the El Segundo Eagles in a knock-down-drag-out game last Friday night at the Torrance high stadium by a 12-27 margin. Led by their hard-fighting captain, Bob Walker, and co-captain Ray Greishaber, they held the Eagles through the first half, 6-7, but began to tire in the second half as the Eagles started to rake in their extra points. This was North high's seventh straight defeat this season. The varsity will play the Morningside varsity this Friday night on the latter's gridiron. Our team needs your support, so let's all get out and spur them on to victory and keep our sportsmanship up at the same time. Remember the rules and abide by them and we will not go wrong.

Bees in Second Place

The victorious Bee team crushed the El Segundo Bees, 19-0 last Thursday, which puts them in second place in the Pioneer league.

Let's see more of you Saxons out supporting the Bees, they are doing a terrific job. The games are every Thursday afternoon. The Bees, under the direction of Coach Wood, are to meet the Morningside Bees today on our field.

Saxons Honor Alumni

North high played host to alumni, varsity players, and the grid queen and her court last Friday night in the form of a night rally, the halftime events during the El Segundo game and the homecoming dance held at the Torrance armory.

The night rally, North high's first, was held on the quad just before the game. Those attending were the first to hear the identity of the grid queen, Miss Sharyn Rich, and her princesses Diane Trimiew, Midge Simons, Babs Cage and Carol Lesar.

A caravan complete with police escort was formed including the varsity bus, the band bus and 30 student cars which made for a very noisy ride through Torrance to the game. During the half-time show the band saluted the queen as she appeared on the field in a Thunderbird followed by her princesses in convertibles.

Queen Sharyn was crowned by last year's queen, Miss Beth Ladd. Present at the game were a few of last year's pep squad members and many of last year's graduates.

DEER HUNTING

R. D. (Bill) McEwen and his son, Billy, returned with two deer pieces from their recent hunting expedition to Cove Fort Utah. Among unexpected incidents was an 18" snow storm which caused their tent to cave in.
