

Golf Course Proposed For N. Torrance

Plans for an 18-hole golf course, driving range, and a number of sports shops were revealed before the Planning Commission last week.

Intending to locate these at the northeast corner of 190th street and Hawthorne avenue, the Columbia Broadcasting System applied for a change of zone from agricultural to commercial.

No one else besides company officials appeared at the first hearing. The second hearing will be December 5.

Santa Calling For Assistance

Santa Claus, who will be in Santaland starting December 7, is also making an appeal for gum and candy which he plans to distribute at the Harbor General hospital. He is also still available for appearances at parties. Santa, himself, will need an official car for his local activities. He may be reached at DA 4-2990.
