Copperware
(Continued from Page 24)

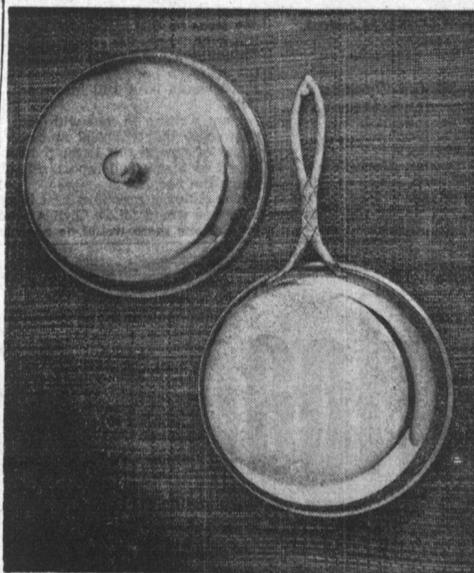

rather keep a steady force and pay our regular people more than get involved in any lay-off programs."

Employees Pleased
Employees at the firm praised working conditions.

"We'd rather work here than at any other place we have ever seen," Mrs. Beulah Belew and Mrs. Bertha McCracken, who have been with the firm since it opened, stated.

"This is the only job I ever had where I actually look forward to coming to work in the mornings," Mrs. Virginia Murrell echoed. "The place is so clean and well organized, and everyone is so nice."

But Mrs. Lois Kelley's remark capped them all. "If I couldn't work here," she said, "I don't think I'd want to work anywhere else!"

FUNCTIONAL AND DECORATIVE COPPERWARE

"John Charles Copperware is simply too beautiful to put away—I hang mine proudly in my kitchen for all to see" is the text of many letter on file with the Charles company. Combining quality and beauty of design is the reason for skyrocketing success of the John Charles line, officials state.

Surgery Ordered D. G. Baldwin

Donald G. Baldwin, lubricant coordinator at General Petroleum, was admitted to the San Pedro Community hospital Friday pending major surgery.

Baldwin is past president of the company's credit union and is well-known locally. He has been with GP for the last 35 years.

He is the father of Jack Baldwin, former editor of the Torrance Herald.
