Handels' Messiah Will Be Presented at Local Church

The Church Federation of Los Angeles, Department of Worship and Fine Arts, and the churches in over seventy-six different areas will combine efforts to present Handel's Messiah. These simultaneous performances will be held in various churches throughout the city on Sunday, December 2, at 4 p.m.

This event is perhaps one of the most enjoyed by both the choirs participating and by the audiences hearing the great masterpiece. The unique part of these performances is that through the efforts of Dr. Gordon Bachlund, director, the music and religious experience is being brought to the people instead of massing the people in one big hall. Not only are more persons able to listen, but the number of soloists and choirs that participate enriches the experience many fold.

Area chairmen, soloists, church choirs and the directors have worked together for weeks to bring to the audiences of the various districts performances that will do real honor to the Christmas celebration.

Since 1946 this Festival, which in the beginning was only a dream, has become a reality and a true worship experience. Laurence Sargent, area chairman, announces that the Torrance area presentation of the Messiah will be given in the First Christian church, 2930 El Dorado. The combined choir will be directed by Frank K. Owen, choir director of St. Paul's Episcopal church in Los Angeles.

Soloists for Sunday's performance are Elizabeth Moser, soprano; Trudy Troy, alto; Wayne Anderson, tenor; and Don Ogren, bass. The accompanists are Mrs. Orpha Meissner, organ, and Mrs. Ruth White, piano. A nursery will be provided by the First Christian church.

Rhythmic Living' Is Church Topic

Dr. Earl D. Barnum, minister of the Church of Religious Science at Ruby st. and Catalina avenue, Redondo Beach, announces that his subject for Sunday, December 2, will be "Rhythmic Living."

Sunday services of the church and the Metateens will be held concurrently at 11 a.m. The Children's church services will begin seven minutes prior to that.

A fifteen minute meditation period precedes the church services, with organ music by the church organist, Jean Rhodes. A nursery for infants and the younger children, under the supervision of a registered nurse, is available.

The Inspiration Hour is held on Wednesday at 1 p.m. in the classroom at 503 South Catalina

'Martin Luther' Film Showing In Lomita Sunday

"Martin Luther," popular religious film, will be shown Sunday, December 2, at 7:15 p.m. at the Lomita Missionary church, 2043 Lomita Blvd.

As exciting as the film itself was its production in castles, monasteries, market squares and churches of Germany. Louis deRochemont associates studied original documents and histories of all faiths to give authenticity to its production.

The public is invited to see the film. There is no admission charge.

ave., Redondo Beach. The subject for this Wednesday is "My Own Right and Perfect Place."

JEW'S BEGIN EIGHT DAY HOLIDAY

At sundown, November 28, Jews all over the world began the eight day celebration of the holiday of Chanukah. This festival commemorates the fight for religious freedom by the Jews in the 165 BCE.

King Antiochus was determined to make the Jews worship Greek gods. However, the Jews under the leadership of Judas Maccabee fought, defeated the Greeks, and within three years recaptured Jerusalem.

Legend tells us that when Judas Maccabee was ready to rededicate the Temple they had no pure oil with which to light the menorah.

Finally they found one small flask and "A Great Miracle Happened" and the oil burned for eight days, the reason why Chanukah, the "Festival of Lights," is still celebrated for eight days.

Therefore today on each consecutive night an additional candle is lit on the menorah until all eight are burning.

In Redondo Beach, Temple Menorah Sisterhood, 112 1/2 N. Catalina is sponsoring a Family Chanukah celebration on Sunday, December 2, 2:30-5:00 p.m. The children from the Temple's religious school will present a Chanukah play after which a supper will be served featuring potato "latkes" (pancakes) one of the traditional dishes of Chanukah. There is no admittance charge to the affair; just a nominal fee for the food.

DEPENDABLE RAILROAD SERVICE for the West's Greatest Industrial Center

PACIFIC ELECTRIC RAILWAY freight service has been important to this area for 54 years. In recent years, as the Greater Los Angeles Metropolitan Area advanced to third place among U.S. industrial centers, Pacific Electric has become a major freight railroad carrying the raw materials and finished goods which the area's growth requires.

The map shows the territory PE covers to serve 900 local industries shipping in carload lots. On nearly 700 miles of track this rail network reaches 130 communities in the Counties of Los Angeles, Orange, Riverside and San Bernardino. It interchanges freight with the parent company Southern Pacific and with two other transcontinental rail carriers and with ocean vessels to move shipments to any destination.

Whether your freight transportation needs are large or small, regular or occasional, your local Pacific Electric Agent is at your service.
