

ROBBERY SUSPECTS ARRESTED

Two youths were arrested on suspicion of robbery as a result of throwing identification cards out a car window, when the cards hit a motor officer in the face.

The officer stopped the car and arrested the youths upon finding a .32-caliber revolver in the car.

The youths admitted three robberies following their arrest in San Pedro, according to Det. Capt. Ernie Ashton of the Torrance Police Department.

Arrested were Vito Daquisto, 18, of San Pedro, and a 16-year-old Lomita boy.

The pair told of gunpoint holdups of the S & S Market at 4505 Torrance blvd., a market at 26344 Western ave., and a

Manhattan Beach store.

The younger suspect wielded the gun in the local crimes and the elder drove the get-away car. This arrangement was reversed in the other crimes, according to Ashton.

Authorities quoted the 16-year-old as saying he suggested the robberies to finance his heroin habit and to pay for worthless checks he had passed at a market here.

WALTERIA BUSINESS MEN TO SPONSOR CHILDREN'S PARTY

An interesting program for the kiddies is slated to get sponsored by the WALTERIA Business Mens Club, inc.

WALTERIA Park will be the scene of the ninth annual Christmas party for the children of WALTERIA district under way at 6:30 p.m., December 21, when an animal show will be presented after which it is rumored that Santa Claus will make his appearance.

"The early hour of the show is such that the younger children, will not be kept out too late in the evening. We advise parents to dress their children in warm clothing. Due to the limited space provided we regre-

fully ask that as few adults as possible attend. Bleacher seats are provided, however, for parents who attend. Teen-agers and unattached parents will have to remain in a standing group separated from the rest," added President Robert Waegner.

In the case of rain, arrangements have been made to hold the program in the new Recreation Building at the park.

"Youngest children will receive preference when Santa distributes his gifts. This is their night," Waegner concluded.

To help in the raising of funds to finish the Scout building the Club also has a number of Christmas trees for sale at the lot next to the Ozark Bar-B-Q.

with a population of over 25,000 persons, over 30 per cent of the total population of Torrance, and yet, so little to show for our allegiance and taxes. A rich plum indeed for a neighboring community with more 'strings'

attached to us than a mere Crenshaw boulevard."

A telegram from Earl and Thelma Chambers, 16703 Falda ave., sent to the City's Council questioned Kesson's having made the annexation statements and went on to say:

"As representative citizens and members of the NTCLA, we know of no such official

sentiment in the association.

"To the contrary, most sensible citizens appreciate the good work of the present administration and realize that subject to the availability of funds, and reasonableness of requests, everything possible is being done for North Torrance."
