DEAR EDITOR...

Tactics Scored

Editor
Torrance Press
Incorporation promoters in Lomita have published the names of people who, they claim, want property owners to sign a petition for incorporation. Of these people, 21% do not live in Lomita at all, and could not vote here.

Another 34% are listed in the phone book and there is doubt as to their places of residence.

Of the 45 per cent who are known residents of Lomita, some have denied that they authorized use of their names. This is a sample of methods being used by promoters to herd Lomita property owners into incorporation.

The law gives property owners the right to decide, for their own protection, whether to have an election or not.

This is proper, because a majority of Lomita residents of voting age do not own any real property and pay no real property taxes, but can vote in any election like all other registered voters.

They can out-vote property owners who would have to pay, the expenses of city government through increased taxation.

Property owners should be permitted to make their decision without interference from outsiders and persons who are not Lomita property owners. The Lomita Civic League condemns these tactics on the part of incorporation promoters.

Very truly yours,

Defeated

By **DICK RICE**
Coach Bill Hoag's Varsity and JV wrestling squads journeyed to Redondo high on Tuesday, January 8 for their second league meet of the season.

The strong Redondo grapplers scored an amazing 45-5 victory over the Torrance varsity team. Led by Bob Pattison, novice champ in the 138 lb. class, Redondo defeated every Torrance wrestler except Steve Buckalew.
