DAV Group Makes Lost Key Appeal

An appeal to department stores, supermarkets and local merchants not to stockpile lost keys found in their stores was issued today by the Disabled American Veterans here. The Torrance chapter No. 92 pointed out that stores doing this are actually performing a disservice to customers who lose keys that carry a DAV Identag on it.

These keys, Charles Portnoy the chapter commander said, should be placed in the mail immediately (DAV guarantees postage) and they will be promptly returned to the losers without charge by the DAV.

Employer's Group Elects A. J. McCown

A. J. McCown, of McCown Drug stores, was reelected as president of the Harbor Area Employers' council for his fifth two-year term.

Other elected officials include A. J. Moe, of Moe Pharmacy, San Pedro, first vice president; E. W. Spear, of Spear's Store for Men, Wilmington, second vice president; H. P. Osborne, Jr., of Shank's Economy store, Lomita, third vice president; Louis Arbetter of Allen Jewelers, Torrance, fourth vice president; J. C. Caldwell of Caldwell's department store, Wilmington, secretary-treasurer; and Frank S. Selover, Torrance, executive secretary.

Population Estimated At 85,565

County estimates indicate that Torrance's population has jumped from 82,241 to 85,565 since the October 1956 special census, making Torrance the sixth largest city in Los Angeles county.

It is surpassed only by the cities of Los Angeles, Long Beach, Pasadena, Glendale, and Burbank.

Population estimates released by the Regional Planning commission of the county of Los Angeles include the following:
 Los Angeles 2,296,144
 Long Beach 307,388
 Pasadena 118,836
 Glendale 117,105

SHOW THIS TO YOUR HUSBAND!

Tell him it's you without an electric clothes dryer - tenderly protecting your nice clean (and still wet) wash because you got no cooperation from the weatherman.

Tell him the cure: a shiny new electric dryer. It saves you the lifting and bending and dependence on the weather. It saves clothes - they dry fluffier, cleaner and fresher smelling. They last longer, too.

Tell him it has to be an electric dryer, of course. Because it's so safe. Because you simply plug it in. And because it costs less to buy! (Electricity is your biggest bargain in modern living.)
