

Family Night at Perry School Reveals Hidden Artistic Talents of Young, Old

"No Parent Without A Child; No Child Without A Parent." This is the slogan for the Family Night programs held at the Perry Elementary school once a month.

In its second year of operation, the popular Family Night is unique among the Parent-Teacher activities in the Torrance PTA Council.

Self-Expression
It is at these gatherings that parents, children and teachers become better acquainted, work on craft projects together and express themselves artistically and creatively in any manner they choose. There is no instruction, only supervision.

According to Mrs. Kenneth McVey, parent education chairman for the Torrance PTA council who spearheaded the family night program, a different activity is tried each month.

For instance, during the Christmas holidays the emphasis was on making Christmas wrapping paper and other Holiday decorations. Even the little ones can be seen cutting, pasting and drawing. Here is an expressive experience, completely unhibited, with a great amount of personal satisfaction as a result.

Not only is the program useful but economical. Very little money is actually spent; most of the materials used are donated or collected for that purpose.

At the January meeting one of the family groups was industriously cutting out Valentines; others were using wall paper samples for kitchen ornaments; while some preferred to model clay into assorted sizes and shapes.

Another project started last year was the teacher's aid program. Families who were not particularly interested in making things for themselves could help the teachers by drawing, designing and preparing graphs, charts, pictures, etc. for use in the classroom.

Sing, Dance
In the past, some of the family nights have even incorporated community singing and square dancing into the program. Mrs. Eugene Phillips, parent education chairman, and Mrs. R. W. Baillie, co-chairman,

So Many Things to Do

MRS. VEATCH TO HEAD DRIVE

One of the first acts of official duties of the new Noble Grand of the Torrance Rebekah lodge, Mrs. Maud Milburn, was to appoint Mrs. Olive Veatch chairman of the polo drive.

The card party on February 6, at the Masonic Temple, 2336 Cabrillo ave., will be sponsored by the Rebekah lodge and proceeds will be turned over to the chairman of the Torrance division, postmaster, Mrs. Clara Conner. Mrs. Freida Shaffer will be the hostess for the card party.

Mrs. Veatch is also area chairman of the Heart Foundation for the city of Torrance. She has been active for some time getting workers organized for the drive on Sunday, February 24.

On Sunday, February 17 the Odd Fellows and Rebekahs of District 66 will dance to the music of Lawrence Welk and his orchestra at the Aragon ballroom, Lick Pier, in Ocean Park. This is sponsored by the good fellowship chairman of the various lodges. Mrs. Pat Young is making the arrangements.

Mrs. Milburn appointed Olga Brown, Christine Ferguson and Marie Fischer to the February sick committee.

Shhh! Your skin is showing - your age!

You need *Jaqueline Cochran's* FLOWING VELVET

This modern flowing formula has already helped countless women—just like you—who had despaired of a dry, prematurely aging skin.

Jaqueline Cochran has found a new answer to the dry-skin problem and its cause, dehydration of the sub-surface tissues. She discovered Hydrolin, a new ingredient that transfers beneficial moisture into the deep tissues of the skin. Thanks to exclusive Hydrolin . . . and other rich components, only Flowing Velvet works these three ways:

1. It furnishes moisture that actually sinks into your skin.
2. It provides necessary oils for essential lubrication.
3. It maintains the normal balance of oils and moisture.

One touch mirrors the beautiful change! Tiny lines smooth out, years seem to melt away! To speed results, use Flowing Velvet day and night. It's hormone-free, greaseless, won't smear your make-up or smudge your pillow.

See for yourself. Make Flowing Velvet your 24-hour beauty care . . . and see how much younger and lovelier you can look. Why not start today!
