EXPANDING THE SERVICE

Liberty Home Appliances has hired two more men for the service department in order to keep up with the growing needs of a growing population. Liberty Home Appliances Now At New Location

Milt Isbell, owner of Liberty Home Appliance, indicated that the new store is twice the size of the old store, which has made possible expanded operations. Formerly located on Sartori, Liberty is now located at 3435 Torrance Blvd. (Just west of the civic center in the Paramount Builders center).

Isbell stated that he has greatly enlarged the service department, expanding his automatic washer service to include all machines. To do this he has added two men to the department.

New service manager is Ernie Lozano who has been Norge field service representative for 10 years. He has also hired Gil Zamudio, technician, who is a Maytag specialist. Charlie Sligar, who has been

with Liberty Home Appliances two years, has had 10 years of experience in shop work on automatic washing machines. New franchises which Liberty will handle include Maytag and Whirlpool, also continuing with the Norge line.

Other appliances include Amana refrigerators and freezers, Wedgewood, Tappan, Servel, Roper, Zenith and RCA TV and RCA Whirlpool.

Isbell has been in Torrance 10 years. He opened his store six years ago. He and his wife, Sibbie, have three children, Donna, 17, Milton Jr., 10, and Gary, 6. At one time he served as executive secretary of the YMCA for four years. He is a member of the Lions club and on the board of directors of the YMCA.
