SHOW THIS TO YOUR HUSBAND!

Tell him it's you without an electric clothes dryer — caught in the old "Monday morning squeeze" after you've stooped, stretched and strained to pin up another wash, and now feel like a washrag yourself.

Tell him the cure: a shiny new electric dryer. It saves you the lifting and bending and dependence on the weather. It saves clothes — they dry fluffier, cleaner and fresher smelling. They last longer, too.
