EC Pool Schedule For Public

To avoid disappointment on the part of throngs of local swimmers who utilize the El Camino college pools on Friday evenings and Saturday mornings, college officials have drafted new provisions for use of the campus facility.

"These rules are outlined," Merl F. Sloan, director of student personnel, said today, "to permit the greatest number of people to enjoy the pools during community swimming hours."

Facilities will be open from 7 p.m. until 8 p.m. each Friday night to adults, 18 years and older and to children accompanied by one or both parents. From 8 until 9 p.m. the pool will be available on Friday evenings to adults only.

Three one-hour swimming periods have been established at 9, 10, and 11 a.m. on Saturdays for all persons 7 years of age and older. Younger children will be admitted only when accompanied by a parent, Sloan revealed.
