

Talking About The Weather

By MARK EUBANK

Last Friday evening a storm passed through the area depositing .35 of an inch of rain. Accompanying the storm were very strong winds reaching 30 mph which lasted through Saturday.

Almost as soon as the remaining clouds of the storm cleared away clouds from a new storm became visible.

The second storm came from about 800 miles west of Oregon and should have brought precipitation to the area by Sunday night.

However, the storm unexpectedly shifted to the southwest where it remained until Monday morning when it again began to come this way.

By late Monday night .21 of an inch of rain had fallen but

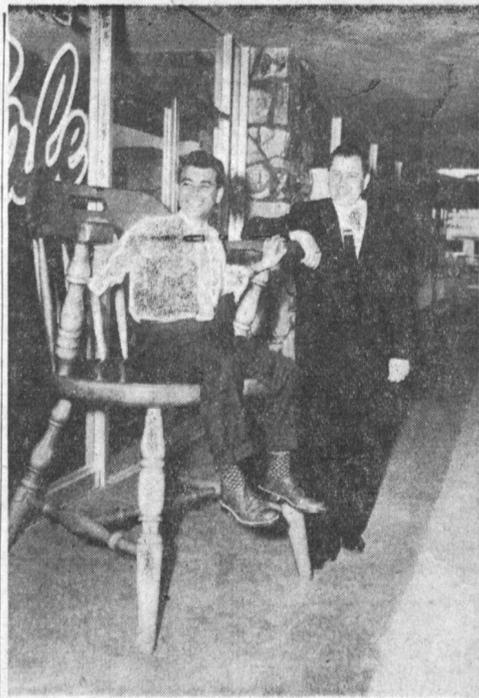

quickly tapered off as the storm pushed eastward instead of northeast.

UNIVAC, an electronic computer which does the work of 50,000 brains, predicts that Easter Sunday will have a cool and cloudy dawn with clearing afternoon skies.

Scientific weather information is gathered by Dr. Irving Krick which is entered on punch cards and then fed into UNIVAC.

UNIVAC then predicts the weather. There is no guesswork either it's all very scientific with the result of years of compiling weather data.

The highest temperature last week was 77. The lowest was 36. The rainfall last week totaled .56 of an inch. The maximum wind speed was 30 mph.

LARGEST IN THE WORLD

Trying out the largest captain's chair in the world is Morrie Hattem of Baker Furniture, 1502 Cabrillo, while Vel Milefich of Oscar Maples Ford looks on. The maple chair is on display at Baker's new location.

'TEAHOUSE OPENS AT PLAYHOUSE

Last weekend "Teahouse of the August Moon" opened for a six week run at the Camino Real playhouse, 526 S. Irena, Redondo Beach. It will be presented Thursday, Friday and Saturday nights through April 20 by the Manhattan Players.

Director Bob Hight has assembled a hard working cast and production crew for the comedy that won a series of awards when it appeared on Broadway.

A newcomer to the group, Miss Chivata Blanca Petrisca, shows great talent as an actress in her first theatrical effort with the Players. In fact, she has won many blue ribbons for past performances in livestock competition. She's a goat.
