

Miss Rose Sarukian, 17th Congressional district director of the California Democratic Council, reported on the California Democratic convention held in Long Beach last weekend, at the 68th District Democratic Council meeting in Wilmington on March 19. Senator Gore from Tennessee, was the keynote

speaker at the convention. At the meeting, the 68th Council endorsed John N. Ennis as its candidate for mayor of Los Angeles and Walt Ruffner was elected CDC director of the 68th District. Plans were discussed for a Young Democratic Club for the Harbor area. Any young Democrats interested in

the club may contact Ruffner at 1434 W. Harth pl., San Pedro.

**RIVIERA SEWER GIVEN OK**

Plans and specifications for a sewer system in Hollywood Riviera were approved by the Torrance City Council, with a public hearing scheduled for April 16.

The \$359,000 assessment district will serve about 700 homes in the northern portion of Hollywood Riviera.

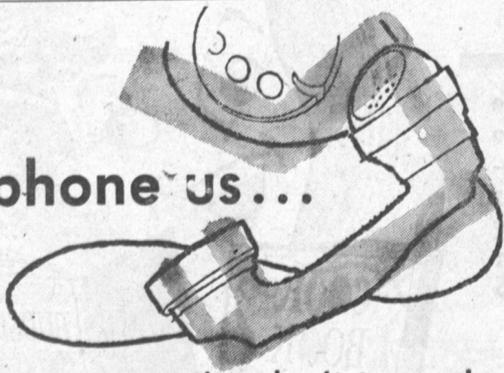

Barring complications, the job should be ready for bid in May with completion due about the end of the year, according to City Engineer Ronald Bishop.

**SCHOLARSHIPS AVAILABLE FOR TEACHERS**

The Torrance Unified school district has again received authorization for ten elementary teacher training scholarships from the school of education, University of Southern California. A grant of \$500 is made available to those nominated for the scholarships.

Interested persons holding a Bachelor of Arts degree received prior to July 1, 1955, and who do not have the necessary training to teach in an elementary school, are invited to call the personnel office of the Torrance Unified School district, 2335 Plaza del Amo.

Persons nominated for scholarships will be employed by the school district and will begin their training in June, 1957 and continue through the summer of 1958.
