

# It's almost as good as having a money tree it's Food Giant Dollar Days

Well now, we admit that "It's better than a money-tree" is a pretty broad statement, and if push-came-to-shove we'd confess that there is nothing we'd like better than to have a flowering "moola-maple" in our front yard. But since those money trees that everybody is singing about, are so few and far between we have to be satisfied with the next best thing — a fabulous FOOD GIANT Dollar Sale. Dollar Days at our stores are designed to give a dollar it's self-respect back. You'll find so many specials in every department you'll begin to believe that bargains grow on trees even if money doesn't. Come on in and rest in the shade of our bargains — it's a very pleasant climate to be in.
