C of C Backs Recreation Center Plans

The Torrance Chamber of Commerce board of directors has informed the City Council that it is solidly behind the proposal to locate a giant sports center on the western edge of the city in the old Victor Tract. In making the announcement, President A. E. Thompson stated the Chamber feels that the 132-acre center is highly desirable and that his organization is firm in its stand behind city officials and their efforts to achieve the site through the Los Angeles County Regional Planning Commission and the Board of Supervisors. The proposed location is

bounded by Torrance blvd. on the south, Henrietta st. on the east, Del Amo blvd. on the north and on the west by the boundary between Torrance and Redondo Beach.

Thompson said he felt this location was suggested not only to benefit Torrance but that the site would be easily accessible to residents of Redondo Beach, Hermosa Beach and Manhattan Beach.
