### Volunteers for Children to Give Easter Party at HGH

On Saturday, April 20, Mr. Easter Bunny himself, is going to take time out from his busy schedule to come to the children at Harbor General hospital who will be unable to go to their own homes for the Easter celebration.

Mr. Bunny will help the Volunteers for Children Inc. give out Easter baskets chock full of eggs and other goodies that are dear to the heart of every child. Hunting Easter eggs, and playing games will help to make the children's own special Easter party complete.

Mrs. Herman Weston is in charge of the Easter party and Mrs. Escoc Sims is decorating cookies for the children.

The Volunteers have parties to celebrate each holiday and if a child has a birthday while in the hospital, he too is given a party. This is only a part of the Tender, Loving Care that the Volunteers for Children give to the children at Harbor.

"Pink Ladies," as they are sometimes called because of the pink uniforms, read, play, wash, feed, and are substitute mothers to the children.

More women are needed to spend some of their spare time helping to take the child's mind off his illness and give him peace of mind.

A member of Volunteers for Children Inc. is required to spend only 4 hours per month on the wards, and purchase one of the pink uniform. For information, call Mrs. Joseph Dock, Mrs. Herman Weston, or Mrs. John Stoddard.
