

PICTURE-PRETTY: Sharply in focus for active sportswear is this drawing striped overblouse with its jaunty convertible hood that teams up with fully-lined, ribbed Jamaica shorts in gay colors.

BEAUTY DRINK: Because milk is so important to teenage complexions, encourage the younger set at your house to drink more of this healthful beverage by serving it in healthful pineapple milk shakes. To prepare, pour 2 cups cold milk into a shaker or quart jar; Add 2 ice cubes, if desired. Add three rounded teaspoons of sugar and one package vanilla milk shake mix. Shake vigorously until milk shake mix is dissolved. Add 1/2-cup crushed pineapple and juice. Shake again. Serve at once. Makes two to three delicious servings.
