LAMP SHADE EXHIBIT HERE SOON

Join your friends and neighbors at the Lampshade Exhibit Thursday, June 13, at the Walteria Park Recreation center near Pacific Coast hwy. and Hawthorne.

The lampshades are original creations made by the students of the lampshade classes in the Torrance High School district, Adult Education, and the South Bay School district under the supervision of "Iola Boas".

Mrs. Boas states that anyone who can hold a needle can make a lampshade and the first lampshade made by a student is as perfect in detail as the last shade—the difference being the time involved.

On June 13 from 2-4 and 7-9 p.m. the exhibit will be open and refreshments will be served in the new Recreation Center.

Summer school classes in lampshade making will start in South Bay Adult Education center, Pacific Coast hwy. and Diamond in Redondo Beach on Monday, June 17, 1 p.m. Bring scissors, pins, needles, etc. and if possible, a lampbase and old shade to start making a lampshade right away.
