Church Topic

"Can you believe that the American Revolution was justified? Do you believe our revolution helped our evolution? Were there mysterious forces at work in this revolution? Have you ever staged your very own Boston Tea party? Do you believe it is necessary to have a revolution for true evolution or growth to take place? Is revolution ever justified?"

These and other questions will be discussed this coming Sunday, June 23, by Dr. Earl D. Barnum, at 11 a.m. in the Masonic Temple, at 503 S. Catalina ave., Redondo Beach. "The public is invited to attend all church activities."
