Summer Music Program For Youngsters Slated

An intensive music training program for students of all ages has been outlined by the Torrance Recreation Department and the Torrance Area Youth band.

James Van Dyck will handle weekly rehearsals at the Torrance Civic Auditorium for the Cadet Band, for students of junior high school age, and the Concert Band, designed for students of high school and college age.

The Cadet Band rehearses on Thursday nights and the Concert Band on Monday nights.

The Torrance Recreation Department has added Jim Davidson to its special services staff to set up instrumental music classes in the Torrance parks. Davidson, instrumental music

teacher in the Torrance schools, has had over five years of experience in providing summer music activities for boys and girls.

He is setting up a program for students of the Torrance elementary schools beginning with the fourth grade, designed to be enjoyable, educational and practical.

Children who participate in this activity will give a concert in the Torrance Park Band Shell on Sunday afternoon, August 11.

In addition, there will be opportunities for smaller groups to perform throughout the summer at family night programs and for special events.

LANDSCAPING CONTRACT FOR SHS AWARD

Torrance Unified School District has awarded a landscaping and turfing contract for South High school to the Henry C. Soto corp., Southland landscape contractors, it was announced today by Henry C. Soto, president.

The \$12,819 contract includes installation of an 18-acre grass playground in conjunction with the first increment of building construction at the new school facility. Landscaping work on the project is now in progress, Soto stated.

MAN OFTEN acquires just so much knowledge as to discover his ignorance, and attains so much experience as to see and regret his follies, and then dies.—Clulow.

er purchaseth blessings, giving praise doth keep the quiet possession of them. — Thomas Fuller.
