Baseball Clinic

After a successful turn out for the first sessions of the baseball clinic, Howard Larimer reports that the program will be fully underway as part of the summer vacation activities provided by the Torrance Recreation dept.
This clinic is open for boys between the ages of 13-17 years. It is held every Tuesday and Thursday afternoon from 1-4 p.m. at the ball field in Torrance Park, 2001 Santa Fe.
Several of the participants commented about the program: Bill Roberts (14), "A lot of fun and good practice." Bill Williams (14), "About the best thing there is if you want to improve, especially if you didn't make the Babe Ruth League." Johnny O'Neil (14), "Helps a lot of guys improve in baseball."
There is still room for more and the opportunity exists to learn how to hit, playing positions, base running and many other facts of the game.
The program for July 9 includes: 1:15-2:30 warm-up and base running; 2:30-2:45, base running; 2:45-4 game. July 11: 1:15-2:30 warm-up; 2:30-2:45, questions and answers on play situation; 2:45-3:00, sliding and base stealing; 3:00-3:15, game. For July 16: 1:15-2:30, quiz on rules; 2:30-4, warm-up; 2:30, hitting; 2:30-4, game.
Contact your local playground or park leader or the recreation office, FA-84108, for further information.

Why be handicapped with that aggravating "middle distance blur" that most people experience with bifocals? If you have difficulty in reading merchandise labels in stores, in distinguishing book titles in the library, in seeing all the playing cards on the table, etc., you'll marvel at the "new sight" that **CONTINUOUS VISION LENSES** will bring you! These are the modern glasses that assure clear vision at ALL distances—without head bobbing and neck craning. Let us demonstrate—without obligation—why you will feel better and work better when you change to **CONTINUOUS VISION LENSES**. Not expensive; easy terms. Come in soon!

★ Open Fridays until 7 p.m. Saturdays until 1:00.
