

It's just about time F. G. had another

You're darn right it's time for a coffee sale! At least that's what all our employees tell us...and who can afford to antagonize a fellow employee? Not us! If all the women in the main office are clamoring for coffee, all the rest of our customers must be too. So here it is... a big sale on coffee, chickens, produce everything we can think of to make everybody happy. More than that we can not do.
