DONALD B. LARSEN  
Production Supervisor

STANLEY H. PINE  
Chemist

## Don Larsen Named to Carbide Post

Donald B. Larsen has recently accepted the post of production supervisor at the new Union Carbide Chemicals co. plant in Torrance.  
Larsen was born in San Pedro and moved to Salt Lake where he attended the University of Utah and obtained a bachelor of science degree in mechanical engineering.  
While at the university he was a member of Pi Tau Sigma and Tau Beta Pi, national engineering honorary societies.  
Larsen and his wife, Madelyn, are now living in Torrance.

## ACCEPTS POST AS CHEMIST

Stanley H. Pine has recently accepted the post of chemist in the laboratory at the Torrance plant of Union Carbide Chemicals co.  
Pine is a native of Los Angeles and attended Dorsey high school. He was graduated from UCLA with a bachelor of science in chemistry. While at UCLA he was a member of Pi Lambda Phi and held the offices of chapter chairman and treasurer.  
Pine and his wife, Yvonne, are now residing in Los Angeles.

MYRON W. BLACK  
Production Supervisor

## Production Supervisor Appointed

Myron W. Black has recently accepted the post of production supervisor in the Polyethylene Production department of the Union Carbide Chemicals co. plant here in Torrance.  
Black is originally from Spokane, Washington. He attended Cal Tech where he received a bachelor of science in applied chemistry and a master of science in chemical engineering. While at Cal Tech he was a member of the debate team and Tau Beta Pi, national engineering honorary society.  
Black and his wife, Barbara, are presently residing in San Pedro.

## NURSERY SCHOOL

The Gardena Coop Nursery school has just announced its plan to initiate a "Feeder Group" for the fall session which begins on September 16. Children from the ages of 2 1/2

to 3 years will be accepted. Seven children will be accepted and will meet each Friday morning from 9 until 11:30. Rosalie Greene, teacher - director will lead the group with the cooperation of member-mothers.

**GAS keeps you HOT WATER HAPPY**  
— meal after meal after meal!

NEED A NEW WATER HEATER?

**1. CHOOSE GAS!** 98 out of 100 have... because Gas heats water three times faster—easily keeps ahead of washing machines, dish washers and growing families. Gas costs less, too!

**2. CHOOSE THE RIGHT SIZE!** Too small a heater gets over-worked—doesn't last as long nor serve you as well. Your plumber's approved sizing chart shows the proper size heater for your family.

**3. CHOOSE QUALITY!** One good way to tell a quality Gas water heater that won't rust is to look for the Verified Long Life Seal shown here... or insist on a ten-year warranty when you order. You may buy on convenient terms—even arrange credit and financing over the phone with your plumber.

SOUTHERN CALIFORNIA GAS COMPANY
