

Candle Room Is Dinner Delight

Rex Thompson's Candle Room is the area's newest dining delight—currently causing much comment among diner outers. And well it should be. Among the splendor of Palos Verdes ornamental stone and volcanic rock, the setting is conducive to relaxed dining. Just the sort of atmosphere the most discriminating person demands in a restaurant. Even though atmosphere is important in dining, let's not forget the most important feature of any restaurant—the food. And the Candle Room certainly excels here, too. Francis "Sandy" Haney supervises

the kitchen activities. He specializes in southern fried chicken, charcoal broiled steaks, and family dinners to suit all tastes. After or before dinner refreshments are handed by Johnny Ramos to the soft background melodies provided by Joe Fox on the piano. Just like in the recipe for any fine meal, it takes many ingredients to make up a real finished product. And at Rex Thompson's, the ingredients are atmosphere, hospitality, and fine food. Mix them all together and they spell Candle Room.

'Asleep at wheel' cause of deaths

"Asleep at the wheel" is the reason for more than 50 per cent of all auto deaths attributed to mental or physical failure of drivers, according to the Institute for Safer Living of the American Mutual Liability Insurance Company. Safe driving under modern highway conditions requires the mental alertness and reaction of a well-trained athlete.
