

New auto store opens today in South Bay area

Pep Boys, Manny, Moe and Jack, will open a new auto supply store today at 4549 Redondo beach boulevard directly opposite the new South Bay Shopping center. It will be the fortieth California store to be opened by "the world's largest automotive and tire specialists." The new store will open at 9 a.m. with a traditional ribbon cutting ceremony.

Opening of the store will be celebrated with a value-packed grand opening sale, according to Murray Rosenfeld, Pep Boys general manager, who will officially open the new store on behalf of the company.

CUTTING RIBBON

On hand to officially cut the ribbon will be Eugenia Paul, motion picture and television actress starring in the soon to be released Walt Disney television series, "Zorro." She has also been seen in such television series as "Medic, Waterfront," "Alfred Hitchcock" and the 20th Century-Fox picture, "Apache Warrior."

Also participating in the opening and welcoming Pep Boys to the rapidly expanding South Bay area will be Frank Hogan, secretary manager of the Lawndale Chamber of Commerce; other civic officials and Robert Strauss, Pep Boys executive and son of Maurice L. (Moe) Strauss, president of the Pep Boys.

SALE

During the grand opening sale, the new store will remain open until 9 p.m. today, tomorrow and Saturday for the convenience of customers.

Manager of Pep Boys new South Bay store is Leo Fitzpatrick. His assistant is Wilbur Austin. Other store personnel include Richard Heim, Roland Morton, Ronald Rosen, and Charles Thomas.

FAMILY

As in all other Pep Boys stores, the new unit will feature merchandise for every member of the family including a complete stock of auto accessories, parts and supplies; radio and television supplies including all types of television aerials and masts; bicycles, wheel goods, and toys; garden supplies and tools, lawn mowers, power mowers, sprinklers, tools for mechanics, carpenters, the home handy man, and electrical supplies; famous Cornell tires and Cadet batteries, and a multitude of "do-it-yourself" items.

Achievement Companies Form Here

Harry E. Miles has been appointed manager of Junior Achievement's Prairie Avenue center according to an announcement today by Clarence N. Parker, Jr., executive director of Junior Achievement of Los Angeles County.

350 High Schools Involved
In his new post with Junior Achievement, Miles will be responsible for supervising the operations of the center located at 831 North Prairie Avenue, Hawthorne. More than 350 high school students from the Centinela Valley South Bay area will form 25 Junior Achievement companies during the coming school year. The miniature companies will be counseled by major business concerns in the area.

Advisers COUNCILED
More than 75 businessmen from the counseling firms are now undergoing a 6 hour training course conducted by Miles to prepare them for their roles as advisers to the teen age members of the small companies which begin actual operations next month. Special assemblies are planned in a number of high schools in the area to acquaint the students with the Junior Achievement program.

Prior to assuming the Junior Achievement post, Miles held positions with the U. S. Tire & Rubber Company, Allstate Insurance Company and the Truck Insurance Exchange. He is a graduate of the University of Washington, where he received his Bachelor's Degree in Personnel Management in 1950. He is a member of Sigma Chi fraternity.

Sprinklers

Look at all the new sprinkler heads at the local nursery. You can water circular areas, square areas and oblong areas with the help of this special equipment. And you will save water.

throughout the new Pep Boys unit, with such features as smart green terrazo front, large picture window, air-cooling, and eye-level display cases. Pep Boys new store will have a service department for the free installation of tires, batteries and seat covers. For the convenience of patrons there is a large parking area adjacent to the store.

Store was built by A. C. Black, incorporated, general contractor, under the supervision of Harry Edgar who is in charge of new store construction for the Pep Boys.
