Calvary Baptist Church Will Have Guest Speaker

Dr. Arnold Boal, assistant executive secretary of the Los Angeles Baptist City Mission Society, will fill the pulpit of Calvary Baptist church, 2818 Manhattan Beach Blvd., at the duplicate services 8:30 and 11 a.m. as the pastor, Rev. H. Earl Kuester, remains for the closing session of the Layman's Retreat at 1000 Pines Baptist camp.

In the evening at 7:30 the 21 laymen of Calvary, returning from 1000 Pines, will have charge of the service. Reports of the retreat will be made and special music presented.

Tonight the leaders of the Lay Development program of Calvary will attend demonstration work-shops at First Baptist church in Hollywood. A retreat for the leaders, officers and board members of the church was held last June at Covina to launch the Lay Development program which is to run throughout the year.

Beginning in November five areas of study will be held for the entire church constituency: "A Pattern for a Baptist Church," "Community Witness," "The People and Their Pastor," "Communications" and "Music in the Local Church." Resource leaders for these studies are: Mr. Jack Spencer, Mrs. Russell Albright, Mrs. James Chester, Mr. Hank Thomason and Mr. Bob King.

On Monday evening, September 16, the first Workers' Conference of the year will be held. All Sunday school teachers and workers and all Youth Counselors will attend. A new record system for the Sunday school will be introduced to the teachers, a special training session held for the secretaries, and the "Why" of keeping Sunday school pupils and Sunday evening group members will be presented by the pastor, Rev. H. Earl Kuester. "How We Keep Our Pupils" will be discussed by the group.

On Thursday, Sept. 19, the Woman's Society will hold their meeting at the Atherton Baptist homes in Alhambra. The Misses Winifred and Amy Acock, retired missionaries from long

years of service in Japan, and active members of Calvary for the past eight and 10 years, now live at the Atherton homes.

Devotions will be given by Mrs. Harold Erickson. Mrs. Jewel Jensen will give a salute to the daughters and Lennea Gedsell will present a salute to the mothers. Mrs. Elton Crump will be the Toastmistress.

Arrangements have been made by Mmes. Curtis Johnson, Maynard Midthun, Peter Muller and Walter Reason.

WE HOLD these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with inalienable rights; and that among these are life, liberty, and the pursuit of happiness.—Jefferson.

'Substance' Is Sermon For Sunday

The Sunday Lesson-Sermon subject in all Christian Science churches is "Substance." The Golden Text if from Hosea (12:6), "Turn thou to thy God: Keep mercy and judgement, and wait on thy God continually."

Through the ages spiritually minded men have discerned the substance, power, and majesty of God. David declares in a Bible passage, "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all. Both riches and honour come of thee, and thou reignest over all; and in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all." (1st Chron. 29:11,12)

In a correlative passage from "Science and Health with Key to the Scriptures" Mary Baker Eddy writes, "When the substance of Spirit appears in Chris-

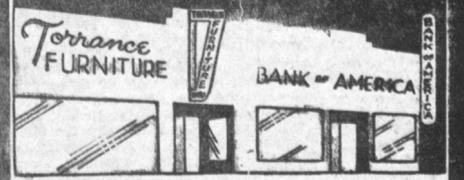

tian Science, the nothingness of matter is recognized." Again she says, "When we learn the way in Christian Science and recognize man's spiritual being, we shall behold and understand God's creation,—all the glories of earth and heaven and man." (PP. 480, 264)
