GOVERNOR PROCLAIMS OFFICIAL PTA WEEK

Torrance High school PTA opened its annual membership drive Monday in accordance with a proclamation by Gov. Goodwin J. Knight designating this as official PTA Week. Invitations to join have been sent home with each student by Mrs. Jack Carter, membership chairman, and Mr. Carl Ahee, principal. Parents and friends are urged to join at once by returning the dues envelope with the student. "We need the interest, ideas, inspiration, support and service of every parent," stated Mrs. Carter. "The students of Torrance High school are depending upon every adult to show interest in their welfare. PTA is not just for parents and teachers, though they are the first to realize the importance of membership in an organization dedicated solely to working for the benefit of our schools." Part of each fee stays with the local unit. The remainder goes into council, state and national PTA funds. All of the

money works for child welfare, parent education, legislation to better our schools and information and educational services to members and the public. At Torrance High the PTA sponsors the After-Graduation party and provides funds for scholarships, dental health, American Field Service, milk and lunch fund and general student welfare. Memberships may be sent in any time during the month of October, the official PTA month but Mrs. Carter and Mr. Ahee, along with Mrs. W. W. Jackson, president, join in saying "Don't fail your student. Join the PTA today."
