Carl Steele PTA

By Mrs. Howard L. Thompson

Rev. Don Shelby will be guest speaker at the November association meeting of Steele PTA. The meeting will be held in the school cafeteria, November 14 at 7:30 p.m.

"Role of the Family in Child Development," will be the topic for the evening. Joining Rev. Shelby who will speak on "Parents' Responsibility in the Home," will be a parent-pupil forum. The pupil representatives have been selected from a group who have expressed ideas of discipline in the classroom. Parents have been selected on a basis of interest shown in "get acquainted cards" filed at previous meetings. R. K. Petrat, principal, will act as moderator.

At recent board meeting members ratified Mrs. James Woodford as room representative chairman. Mrs. Woodford replaces the post vacated by Mrs. Earl Barakman. Plans are under discussion for a White Christmas gift program. A committee was appointed to investigate needy groups in the area and will report to the board at a later meeting.

R. K. Petrat continued his talks on the school system. He chose as the topic, "Philosophy in the Torrance Schools."

Dollard, District Psychologist - Guidance, informed the Association of the Special Services offered for the Physically Handicapped, Mentally Retarded and Gifted Child in the Torrance Area.

Mrs. Dorothy Anderson, presented certificates to the following graduates of the Parent-Teacher Instruction Course held recently at Crenshaw School: Mmes. R. H. Carroll; Todd McCartney; John Ramirez; C. M. Richards; H. D. Robinson; and Wm. Wells.

Mrs. Lonnie Mansker and Mrs. L. C. Dearden, presented interesting reports on the PTA Magazines.

The tables were festively decorated by the First Grade Room Mothers. Presiding at the serving table were Mrs. Madeline Woelcke and Mrs. Evelyn Harper, first grade teachers.

Edison PTA

By Mrs. Arthur Lester

Mrs. William Cassida, president, presided over a recent meeting of the Edison PTA executive board. The purpose of the meeting was to put the finishing touches on the program for the general meeting which was held on Wednesday evening. The theme of the meeting was "Scientific Harvest." The Mothersingers furnished the music. Mrs. Arthur Lundberg is music chairman.

Reports were given by the inspiration magazine and newsletter committees, and refreshments were served by the first grade mothers.
