**Fund Drive Nets \$46,225**

The Hope EUB church's \$48,000 building program goal was almost reached recently when general chairman Paul Duckworth announced a total of \$46,225 pledged to church construction.

This amount, payable over the next 150 weeks, represents a good percentage of participation by the congregation and friends, Duckworth said. The three week drive was conducted to raise funds for a new educational facility to be erected at 3343 W. 174th St. Construction will begin when church officials feel there is a sound financial reserve available.

Members of the canvass organization who helped to make the program a success include Paul Duckworth, general chairman, Maurice Crome, initial gifts chairman, Larry Myers, special gift chairman, Bob Richter, teams captain chairman.

Delbert Alford, Eddie Collins, James Brown, Marvin Irwin, Canvassers: Cornie Hildebrand, Harry Bendschneider, Don Groans, Woodrow Welty, Clinton Beeton, and Steve Sugimoto are teach captains.

**Sea Explorers**

By Harry N. Edison

The winter training program has just begun for the crew members of explorer ship "Decatur No. 213-S," sponsored by the Lomita Optimist club. The summer training program has ended with the following objectives accomplished, eight men went for 10 days to Camp Pendleton for marine training; four training cruises to Catalina; deep-fishing and skin-diving trips; and cruises in and around San Pedro.

Plenty of hard work, and learning, went into these cruises to make them successful. The fun and companionship coupled with a vigorous program aboard the ship "Decatur," where the motto is "learn by doing," spiced with the tang of fresh salt air, gave everyone a feeling of real accomplishment. The ship crew meets every Thursday evening at 1930 navy time (7:30 p.m.) at Lomita Scout Hall on Narbonne Avenue.
