

**Christian Science Lesson
Slated for Next Sunday**

"Blessed be the name of God for ever and ever: for wisdom and might are his: . . . he revealeth the deep and secret things," reads the Golden Text from Daniel (2:20, 22) for the lesson-Sermon "Christian Science" which will be read in all Churches of Christ, Scientist, on Sunday.

The words of Paul to his beloved and faithful co-worker Timothy, are used in the sermon where Paul writes, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works" (II Tim. 3:16, 17).

**Church Begins
Fund Raising**

The Narbonne Avenue Southern Baptist Church of Lomita voted to build a new Educational building, which will care for six nursery, four beginner, and four primary departments and the Church Offices. It will be contemporary in design. The Budget Planning Committee has recommended a budget of \$100,000 for 1958. Of this \$30,800 will go to build the new building. The budget promotion will begin this Sunday. This includes a Loyalty Dinner on January 16.

Earl Stroope is Campaign Director, he is also Chairman of the Deacons. The goal of the campaign is to enlist every church and Sunday school member to make a pledge to the budget.

The pastor will speak at the 11 a.m. service on the subject, "My New Years Resolutions." The sermon will seek to meet the need we face to make a new start as the new year begins.

Last Sunday the adult church choir presented their annual Christmas music at the evening service. The music was heard by the largest attendance ever registered at a Sunday evening service.
