Prescription SERVICE

• Quality Brands • Fresh Drugs
• Low Prices • Triple-Checked Accuracy

The average life expectancy of humans in the U. S. has increased by 21 years in the last century. This is due to the research and development of the medical profession. McCown's pharmacists compound from a large stock of all famous brands drugs to give you emergency service. Your doctor's prescription enables you to recover good health quickly with less suffering and expense than the long drawn out illness of yesterday. See your doctor, then bring his prescription to our specialists for accurate, immediate compounding.
