Early Church Service Slated

Increase in attendance at Ascension Lutheran Church, 18002 S. Prairie has made it necessary to add an early service at 8:30 a.m. beginning March 2. Holy Communion will be celebrated at both services this Sunday. Nursery care for small children is provided during the 11 a.m. service. Over thirty are enrolled in an adult membership class conducted by the pastor, Rev. L. Warneke on Thursday evenings. Lenten Services will be held on Wednesday evening at 7:30.

Baptists Plan New Church

Announcement was made today by Rev. Harold Nickel, Church Extension Missionary for Conservative Baptists of Southern California, of plans to organize a Baptist Church to serve the residents of the growing North Torrance Area. Pioneering in the establishment of this new work will be the Rev. Stuart Smith, a local resident. Rev. Smith is a graduate of the Bible Institute of Los Angeles and the Talbot Theological Seminary. He assumes this responsibility with a real awareness of the great opportunity for a new church having been reared in the area and thus having seen its tremendous growth over the years. The general area that the new church will seek to serve and establish itself in is located between Prairie Avenue on the west, Arlington on the east, Redondo Beach Blvd., on the north, and 190th St. on the South. A partial religious census of this area has already been taken with a more complete census to be taken later.

Fallacy of Fear Is Sermon Topic

This coming Sunday, March 2, Dr. Earl D. Barnum, minister of the Redondo Beach Church of Religious Science, will present as his sermon topic "THE FALLACY OF FEAR". With fear as the basis of much of the world's conscious-thinking these days, it is timely that a way to eradicate it from our minds should be given now. "We can with conscious thought bring about eradication of fear by realizing that it is misused Faith", say Dr. Barnum. Inspiration hour will be held Wednesday at 10:30 a.m. The usual first Wednesday of the month luncheon meeting will be followed by a lecture discussion hour. Those attending are asked to bring their lunch and share in the fellowship. Coffee is provided. College accredited class in the fundamentals of religious science which is now in the first unit, will be held Thursday from 7:30-9:30 p.m.
