

Drilling Platform Is Designed by National Supply

Many features are included in the Dixilyn Drilling Corporation's new mobile offshore drilling platform, the "Julie Ann." Intended to operate in water over 100 feet deep and to drill to depths exceeding 25,000 feet, it can drill as many as six holes from a single location. The platform is of a tripod design, supported on three 175-foot legs

which can be raised above the hull when the platform is towed to a new location.

The platform was designed and built by R. G. LeTourneau, Inc., and was equipped by the National Supply Company's Torrance plant.

Drilling is with a National Supply Type 1625-DE Rig, using two National G-1000-B Slush Pumps. A National C-350 Slush Pump is provided for mud mixing and auxiliary purposes.

LET HOLLYWOOD PARK PLYMOUTH SOLVE YOUR FINANCIAL PROBLEMS

Perhaps you've looked out your window recently, seen your neighbor pull up in a shiny new car and said something like this to yourself. "Hey, where the heck does Fred get off buying a new car. I'm making more money than he is, driving now, what gives?"

Well, folks, maybe Fred had just taken advantage of Hollywood Park Plymouth's famous family budget formula. Let's take a typical case for an example. Mr. and Mrs. T. had the following schedule of monthly payments.

'58 AUTO	\$57.00 per mo.
CARPETS	29.00 per mo.
TV SET	16.43 per mo.
DENTAL LOAN	15.06 per mo.
FINANCE CO. (PERSONAL)	22.46 per mo.
TOTAL	\$139.95 per mo.

Mr. T. held a good job, making \$400.00 per month, but with the above payments in addition to his basic living expenses, he was in no position to buy a new car... at least that's what he thought until he met N. D. Brown, our friendly budget counselor at Hollywood Park Plymouth. Mr. Brown arranged to pay off all of Mr. and Mrs. T's obligations, put them into a beautiful 1958 Plymouth hardtop coupe, and leave them with the following payment schedule.

PAYMENT ON '58 PLYMOUTH HARDTOP	\$66.00 per mo.
TOTAL	\$98.00 per mo.

With no cash down, Mr. Brown actually sold them a new Plymouth, and reduced their monthly payments by \$41.95!!! Sound amazing? It is.

Why no let us show you what we can do in your case. There is absolutely no obligation. Simply call ORegon 8-5101, and we will arrange a demonstration for you, then we will sit down with Mr. Brown, who will submit a budget plan for your approval. Why not call us today?
