Anti-Narcotics Talk Scheduled

The Torrance Elks' Anti-Narcotics committee will hold its semi-monthly meeting at 8 p.m. today in the Elks Lodge at 1951 W. Carson st.
All Fraternal, Civic, Church and Educational groups and Service Clubs are cordially invited to send representatives to these meetings. This program is designed to acquaint the public with the drastic results of narcotics addiction and to waken parents and teen-agers to the reality of the problem as it exists right here at home.
Educational literature will be distributed. "A major crime is committed every 13 seconds in the United States. 50% of all crimes committed in metropolitan areas are directly attributed to the use of narcotics. 50% of all those arrested for major crimes are under the age of 25," says Joseph E. Yates, chairman.
"It is time for the public to realize that the illicit narcotics problem concerns us all, for where there is a crime committed, there is at least one innocent victim."

Riviera Home Owners Press Program for Flood Relief, Elect New Officers

A three-pronged program to provide flood relief to Paseo de Gracia, was approved by the Hollywood Riviera Home Owners Association Monday.
The plan calls for use of El Retro Park as a sump area, quick pumping of the water out of it once the rain stops, and use of Pacific Coast Highway to take the flow by building a dip at Vista del Parque.
Explain Compromise
The recommendations were made at a meeting at which the Don Ja Ran property compromise was explained by members of the City Council.
Although many members accepted the explanation that the compromise will avert lengthy litigation and possible loss of a suit by the city, indications are that some members will seek further action at the board meeting March 12.
Bluff Site
The City Council agreed to a settlement of its controversy with the developers by rezoning most of the property R-3 with a small portion of the bluff area to be used for the construction of a hotel.
In other action, W. J. Hanson was elected president of the association, succeeding Benjamin Russell.
New Officers
Other new officers are: David B. Halstead, vice president; Mrs. Barbara Jahn, corresponding secretary; Mrs. Margaret Rector, recording secretary; Mrs. Elizabeth Spellman, treasurer.
Members of the board of directors are Leonard Freeland, Dr. Ragnar Thorensen, Robert Ellis, Kenneth Dudley and Mrs. Winifred English.
