Serve Pan-Browned Potatoes with Your Roast

45 minutes before your roast is done, pare and boil medium size potatoes 15 minutes, then drain. Or boil potatoes in jackets, and then peel. Place in HOT potatoes in the meat drippings around the roast. Turn them over so all surfaces are coated with meat drippings. (Use tongs to prevent breakage). Finish cooking the potatoes with the roast, turning potatoes several times. Salt potatoes lightly before serving. Absolutely delicious... golden brown.

Head Campaign for Mayor's Post**

The Citizens Committee to Re-Elect Nick Drale Mayor of Torrance today announced the selection of its Chairmen and Co-Chairman.

Joe Doss, owner and operator of the Food King Market, and Philomena Davis, housewife and long active in community life of Torrance, will direct the campaign.

In accepting the chairmanship, Joe Doss said, "I have agreed to serve as chairman of the Drale campaign because I respect and admire Nick Drale, whom I believe has contributed more than any single individual to growth and welfare of Torrance. He is both the workingman's friend and the businessman's friend. He understands their problems and his record of 10 years in public service for Torrance demonstrates his ability, his honesty and his integrity. He will be our next Mayor because Torrance needs him and wants the kind of leadership he

nominating Nickolas O. Drale for the "Citizen of the Year" in 1957, I did so because I, like many others, recognized the unselfish and productive services Drale has contributed to Torrance and its people.

"In the past 10 years, Mr. Drale has given unselfishly of his time away from his business, his home and his family, in the interest of the City of Torrance and its people. I have

known personally, of many times when he has put aside his personal interest to come to the aid of our city."
