**Riviera Group Seeks Answers from Candidates**

Hollywood Riviera Home Owners Ass'n. have invited all city candidates to a meeting March 31st, in the clubhouse at El Retiro Park, at 8 p.m.

The candidates have been invited to discuss, in a maximum of 3 minutes, any one of seven questions which have been put before them in their letters of invitation.

The questions: How can Torrance get a first class library system economically?  
How would you propose to solve the South Torrance drainage problem?  
What is your stand on the development of the Torrance Airport?  
What are some of the improvements you think desirable or necessary throughout Torrance and how should the cost be handled?  
How do you feel about lighting assessment districts?  
What are advantages and disadvantages of having councilmen elected at large?  
Do you have any plans to provide added recreation facilities for juveniles?  
Refreshments will be served at the close of the meeting.

**School Boundary Dispute Decision Looms April 1**

Decision on solving the knotty boundary dispute between the Seaside and Calle Mayor schools, will be made by the Board of Education of the Torrance Unified School District April 1.

The board will be faced with the problem of ending double sessions at Seaside, by transferring students to Calle Mayor, or heed protests of a group of parents opposing the change of schools.

One of the chief objections is that children will have too long a walk to Calle Mayor School, complicated by the fact that the street ends at Carlow Rd. However, the city hopes to acquire the right of way for the extension of Calle Mayor to Anza this summer, which will eliminate one of the problems.

Dr. Albert Posner, assistant superintendent, submitted two boundary line proposals. One will place 50 students on double sessions, and the other one, 35.

He said all double sessions could be eliminated if children in the doubtful areas would attend Calle Mayor School.

March 6
