

Hahn Predicts Harbor Freeway to Carry Biggest Load in Near Future

There's not a freeway, turnpike, highway, bridge or street anywhere in the world which has as great a traffic load as the Hollywood freeway—192,000 cars, trucks and buses, each 24 hours, day in and day out.

However, the Hollywood freeway will soon be in second place to the Harbor freeway, which now has a daily traffic count of 190,000 vehicles!

According to Supervisor Kenneth Hahn, who recently obtained the latest freeway traffic figures from the State Highway Department, the heaviest concentration of cars in the world passes through the four-level intersection where the five major freeways merge.

About 318,000 motor vehicles pass through the four-level to 92nd st. The portion between "stack" each 24 hours. But this is far less than the combined total of the Harbor and Hollywood freeways.

The Harbor freeway is now open only from the interchange

92nd and 124th st. is under construction and scheduled to be opened to traffic in September. "As new sections are opened, more and more traffic will be put on the Harbor freeway," Supervisor Hahn stated.

About six miles of the Harbor freeway remain to be built. Plans are now ready for advertising for bid for approximately four miles—between 124th and 190th st.—with construction of this segment tentatively scheduled to begin this summer.

The three remaining major

Harbor City Oil Lease Bids Asked

Chairman Geo. A. Beavers, Jr. announced today that the Housing Authority of the City of Los Angeles has issued invitations to bidders for a sub-surface oil and gas lease under the Normont Terrace Housing Project in the Harbor City area.

Normont Terrace is the second City Housing Authority project which has been selected for a sub-surface oil and gas lease. The Normont project is bounded by Marigold ave., Pacific Coast Highway, Vermont ave., 233rd and 254th sts. and is a war housing project converted to peacetime use now housing 400 families.

Narbonne District Council Formed

Formation of a coordinating council for the area included in the Narbonne High School district, was announced today by Bob Denahy, temporary chairman.

A meeting of representatives of organizations in the area will be held April 22 at noon, in the school. Attending the organization

meeting were E. R. Beck, Joe Langan, B. A. Todd, Lonian Carter, Elizabeth Hinkley, Bob Wells, Don Bowker, Dorothy Moehlman, J. E. Spray, Eleanor Kennedy, Charles Gustafson, Phil Danky, John Lyons, Paul Goebel, H. E. Morey, Jane Rye, Herb Larsen, Avis Creech, Frances Dastarac, Gertrude Cheek and Y. T. Hammatt.

STAMPED ENVELOPES FIRST ISSUED IN 1832 First stamped envelopes authorized for mailing in the U.S. were issued in 1832.

U. S. SAVINGS BOND DRIVE LOS ANGELES — The Treasury Department today opened the most intensive U.S. Savings Bond campaign in peacetime history in the greater Los Angeles area by asking nearly 300,000 employees of more than 1500 large and small industries to buy a "Share in America" through the payroll savings plan.

Troop 211

Boy Scout Troop No. 211 sponsored by Howard Wood PTA hold their first annual breakfast at Sav-Mart grocery store, corner of Western ave. and 234th st., Saturday, March 29, 7 to 11 a.m.

Mr. Jack Hoy is general chairman of the affair and states that you can have all you can eat for 50¢. Mr. Larry Brown is ticket chairman. The breakfast will consist of pancakes and syrup, orange juice, coffee and milk plus sausages.

All boy scouts in the troop will be selling tickets for the affair.

The Dentist Says:

Use Old Teeth for New Plates

"I have worn dentures for years. Because of gum shrinkage they don't fit any more. I like the way the teeth look; so can they be used in a new plate?" asks Mrs. J. K. of Torrance.

Yes, the old teeth from your denture can be used in a new plate and can be used in such a way as to save you one-half the cost of a new plate.

The technique is this: A brand new impression is taken of the mouth and the old teeth are cut off the old plate and re-set exactly as they were onto the new plate. This works out wonderfully well where a new bite is not required. Completely brand new plastic is used throughout and the finished product is a brand new denture except for the fact that the teeth from the former plate are used.

DENTAL CARE AVAILABLE ON CREDIT

"I need quite a bit of dental work done, but cannot afford to pay right now. Do you have a plan whereby I can get my work done now and pay for it later?" writes Mrs. R. D. of Harbor City.

Yes, my office is set up to give credit to all who desire it. When you first come into the office, I do a complete dental examination on you. Then I give you an exact estimate of what the work will cost. Once we know the fee, we can arrange for you to buy on easy monthly terms, or weekly if you prefer.

Pensioners may come in and receive a written estimate of what their dental work will cost. When this estimate is approved, their work is started immediately and they make their first payment when they receive their additional funds from the State.
