Woman's Club Members Will Tour Terminal Island Prison

Announcement of a tour of the Women's Federal prison at Terminal Island was made at a luncheon meeting of Torrance Woman's Club members. A tour will take place on March 27, and be preceded by a luncheon served by women of the prison. The prison is one of two women's federal prisons in the U. S. and the tour is attracting a large number from the club.

Torrance High School music department furnished the program Wednesday afternoon, for the luncheon meeting of Torrance Woman's club, held in the clubhouse. A number of choral group, vocal solo and instrumental selections were given under the direction of instructor J. Nichols.

During the business meeting, delegates were named to the

Marina District convention at Santa Monica, April 29-30. They will be Mrs. R. E. Moffitt, president; Mrs. Don B. Wolf, incoming president; Mmes. John Thuss, F. J. Fittin, D. J. Quilivan, H. J. Stephens, J. L. Clifford, J. B. Bay; alternates, Mrs. Rufus Sandstrom and Mrs. Charles Ward.

It was announced that Mrs. Moffitt had attended the Federation Reciprocity luncheon at the Hawthorne Woman's club, March 18th.

IF YOU DRIVE AT NIGHT, READ THIS!

Dear Sirs:

In regards to your 58 Fords, I had experience with one on Rt. 20 west of Cleveland. The road was blocked, and this 58 Ford was the last one there and it seemed like I could see it twice as far as other makes of cars. That particular night was foggy, and with 45,000 lbs. of freight I had plenty of room to stop after I saw those lights, so I think you should demonstrate your cars out in fog, rain, snow, or what have you. Because if you notice a 58 Ford twice as soon, that gives you twice as many feet out on the highway to stop in, which would make your brakes

twice as good, which would make the people in these Fords twice as safe.

I've been driving for twenty-two years over the highways. I think it's the greatest safety that's been put on cars in years. So I want to thank Ford Motor Company and its engineers for making my job safer over the highways.

Yours truly,

Marlin Mantooth
