LIGHT AND SOUND—G. K. Hargrett, representative of the Moody Institute of Science, demonstrates application of light waves to produce sound, including music, to North High School students during second annual Science Day Monday. —Press Photo

LOOK, NO HANDS—North High students observe exhibit of model cars racing around track, displayed by Cheminol Corporation during second annual Science Day at North High School Monday.

Torrance Realtors Stress Ethics Code

A person using the term "Realtor" is a member of a local, state and national realty board, working under a code of ethics, Rose Craig said. Accepting this standard as his own, every Realtor pledges himself to observe its spirit in all his dealings and to conduct his business in accordance with the code of ethics. Professional courtesy and ethics do not stop at those things which have been sanctioned by law. The man who tries only to stop on the border of the law inevitably at some time steps across. A Realtor is well informed with the law, proposed legislation and other essential facts and public policies which affect those interests. Be safe—deal with a Realtor, the spokesman for the Torrance-Lomita Board of Realtors said. The Realtors of the Torrance-Lomita Board of Realtors also welcome Coleman Engineering Co. to Torrance.

PTA Helps at Open House

The South High School Open House held last week was enjoyed by more than 750 parents and friends of the students. The program was so well organized that it was possible for guests to meet every teacher of each student within only an hour and a half. There was no difficulty in locating the various rooms, thanks to Miss Rous' competent staff of student guides, who also effectively managed the parking facilities. Dr. W. B. Magner and the entire faculty and staff made this first open house a memorable one. The many beautiful homemade pies and cakes donated by the mothers are gratefully acknowledged by Mr. and Mrs. Robert Schrauben, hospitality chairman, and Mrs. Paul Roettger, ways and means chairman, and their committees. Prior to the open house, a half-hour business meeting of the PTA was held in the library. Mrs. David Sokoloff, president, showed members the original

charter, which will be displayed in the administration building. She also announced coming dates of interest: district convention, April 17, and a brunch to be held May 13 in Torrance Civic Auditorium, and the school board election May 20.

Elect Officers
Officers were elected for the coming year as follows: Mrs. David Sokoloff, president; Mrs. A. F. Geisel, first vice-president; Mrs. Paul Roettger, second vice-president; Mrs. A. H. Noeth, 3rd vice-president; Mrs. Vincent Patton, recording secretary; Mrs. Orville Robinson, corresponding secretary; Mrs. Robert Edwards, treasurer; Glenn Bullock, auditor; Mrs. William King, historian.

Mrs. Sokoloff announced that the next PTA meeting would be held May 13 to eliminate conflict with the state convention the previous week.

BANK DIVIDEND DECLARED
California Bank's board of directors has declared the regular quarterly dividend of 50 cents per share payable May 1 to all shareholders of record at close of business April 17.
