**DEPEND ON
CLARK MEAT**

When your meal depends on meat, depend on Clark's! You must see and taste for yourself to be convinced. That's why we urge you to buy and compare. Compare quality! Compare our extra value trim! Finally, compare our price. Just look for the Clark "Banquet Perfect" label. It's bound to be good.

Pork Seasoning

Here's a special seasoning for your pork roast. Rub into the uncooked roast a mixture of 1 tbs. salt; 1 tbs. paprika; 1 teaspoon dry mustard, and perhaps 1/4 teaspoon ground ginger. Then roast. This makes you a culinary artist. 50¢

This corn fed pork is unsurpassed for flavor and tenderness. Here's a real economy, too. All excess fat has been removed before weighing. And the roasts are not limited to end cuts. Roast at about 350 degrees oven temp. for about 30 minutes per pound.

LAMB LEGS

Spring lamb is recognized by its delicate pink color and fine texture. And it's the milk feeding that gives this lamb its fine, exciting flavor and tenderness. And as always, there's extra value too, because at Clark's, all excess fat has been removed before weighing. Nor will you find the heavy shank bone, for this too has been removed. There's extra value at no extra cost.
