

Cancer Campaign Starts April 22

Dollars—to put new weapons in the hands of doctors; to teach people how to save themselves from cancer, to help those who cannot now be saved—are the goals of the Memorial Crusade against cancer.

Date is April 22.

A goal of \$71,800 will be sought by the Crusaders—some 5000 strong—for the American Cancer Society from the South Bay-Centimela Valley area.

Many Memorial Crusaders will take part in the life-saving effort as a personal tribute to someone they knew who was lost to cancer; loved ones lost because research had not yet found the answer for them; or because they didn't know the early warning signals of cancer and sought a doctor too late.

NO SNAKE DANGER

A dangerous snake turned out to be nothing more vicious than a lizard, Torrance police revealed after they answered the call of Mrs. John Wallace, 5620 Via Del Callado, Monday.

Sketching Group New City Project

Like to sketch outdoor scenes? If so, why not take advantage of the Torrance Art Group's new program, which will deal with this ever-popular subject.

The group, under sponsorship of the Torrance Recreation Department, is planning its first meeting April 24 in front of Torrance City Hall, 3031 Torrance Blvd. The meetings are planned for every other Thursday morning from 9:30 to 11:30.

Those seeking information concerning the program are being asked to call Mrs. Vicki Feldon, FA 8-2694.

The program is designed to give people who have interest in this field a common meeting ground and is open to anyone who enjoys sketching.

2 Dow Chemical Aides Get Awards

At a service pin award dinner held by the Dow Chemical Co. on April 9, H. O. Fox, well-known company executive, was awarded a 35-year service pin. Called "Foxy" by his fellow-workers, he joined Dow in 1923 and was transferred to Southern California in 1933. He has held positions at Dow plants at Seal Beach, the government Styrene plant during the war years and presently at the Torrance Polystyrene plant.

A 25-year pin was awarded to C. F. Bell of the Torrance plant.
