The same safety standards will now apply to all school buses, whether public, private or parochial. Supervisor Kenneth Hahn declared today following announcement that Assembly Bill 2 has been passed unanimously by both houses of the state legislature in a special session and signed by the Governor.

"I am sure that many thousands of parents all over California will be greatly reassured by knowing that the law will require that school buses in which their children ride will be required to meet rigid safety standards and pass inspection

### Injured in Car Crash

The injured person was Josephine Moore, 49. She was a passenger in the machine driven by Geneva Brooks Moore, 34, of 344 Via Colusa. The other car was driven by Donald Bart Snow, 21, of 4560 W. 154th st., Lawndale.

by the California Highway Patrol," Hahn declared.

### Students Win Bank Awards

Two students of El Camino College are cash award winners of \$100 each under the Bank of America's Junior College Business Awards program.

Forrest G. Murdock, president of the college, announced that Robert G. Newton, of 3100 Alhambra, Manhattan Beach, has won the award in banking and business administration studies, and Colleen (Erlison) Cody, 4444 W. 154th st., Lawndale, has won in the secretarial and clerical studies division.

The cash awards will be presented May 27 at a banquet at Statler-Hilton Hotel, Los Angeles, where the bank will honor all winners from Southern California junior colleges.

At each school a permanent plaque is kept on which the winners' names are engraved year by year. The students also receive honor certificates at their school's annual awards banquet for winners of scholastic honors during the year.
